Total	33,651	

Reported by manufacturers. Full year report due by January 31<sup>st</sup>, 2020.

## 2019 3<sup>rd</sup> Q Results

	Actual	Budget
Revenue	230,709	219,300
Expenses	162,289	196,525
Surplus / Deficit	68,420	22,775

## DOT / Municipalities / Consultants:

MTO Roads	Met with Art Groenveld and Muhammad Naeem (Art's replacement) on the 3 <sup>rd</sup> . Issues discussed include Bancroft Polymer Laminated site, Galvalume project, CSA G401 committee, OGPDG update – 2021.
MTO Bridges	Met with Tony Merlo and staff on the 5 <sup>th</sup> . Walter Kennedi will be Tony's interim replacement. Issues discussed include structural planning guideline, financial analysis of bridge options, design-build tenders, rehabilitation project, materials and service life, CSA G401 committee, NZF3000 bolts for standard inclusion, bid enquiries, QVE responsibility and changing name reference from culverts to bridges.
MTQ	CSPI has been accepted as a registered lobbyist. Now a requirement to visit / communicate with provincial ministries and cities in Quebec.
City of Welland ON	Met with Marvin Ingebrigtsen pertaining to the EPD. The city of Welland is currently formulating a strategy on reducing their environmental footprint.
Region of Waterloo ON	Finally heard back from William Kinnaird, chair of the storm sewer committee on CSPI submission. Response was as follows: <ol style="list-style-type: none"><li>1. Committee is for storm only. Culverts have to be addressed with each city.</li><li>2. Storm covers 300mm -600mm. Spiral rib starts at 450mm.</li><li>3. Reservation with steel service connections</li><li>4. Case studies required – showing connections to residential projects</li></ol>

YTD – 32 visits

## Education Outreach:

YTD 22 Lectures

889 Students

**TAC Committee Activities:**

1. Rehabilitation project with Queen’s University, final report review and edits completed in December.
2. CSA G401 latest update released to committee. Next meeting scheduled for Jan 8<sup>th</sup>, 2020.
3. Galvalume project – AMD water tests results along with 2019 site visit reports shared with Elzly Corporation to complete final report. Once received, Technical Bulletin #1 can be updated.
4. LCA comparative project (CSP versus concrete) RFP completed and sent to consultants for quotes.
5. Attended NCSPA TAC meeting on Dec 11<sup>th</sup> via conference. Notes available.
6. EPD input & output tracking data (spreadsheet) sent to all 4 manufacturing members. This will cover the years 2016 – 2020 for comparison and enable the EPD to be updated in 2022.

**PPC Committee Issues:**

1. E–Blast sent to all 259 members on December 18<sup>th</sup>, “member update on 2019 activities”. 98 opens and 22 clicks thus far.
2. Attended NCSPA PPC meetings on Dec 10<sup>th</sup> & 16<sup>th</sup> via conference. Notes available.
3. Attended webinar “Introducing Transparency Catalog / EC3 tool integration and NEW lower cost, product and facility-specific EPDs” on Dec 12<sup>th</sup>.

**Other December Activity:** Responded to 8 information requests from members, consultants & municipalities, website updates for all committees, and November board minutes approved and issued.

**Future Activity / Travel Plans / Meetings thus far**

1 <sup>st</sup> Q 20 activity	1 <sup>st</sup> Q planning travel & appointments, E-Blast to members in January to announce two webinars, continue to work on storm sewer strategy, CSA G401 update, EPD comparison project, commence technical bulletin on joining systems, and update member website with DOT & Municipal standards.
Jan 8 <sup>th</sup>	CSA G401 update meeting
Jan 8 <sup>th</sup>	NCSPA TAC conference call
Jan 14 <sup>th</sup>	NCSPA PPC conference call
