

CSPI – Executive Update

February 2017

Yearly Tonnage:

CSP Steel Shipments	2016	2015
Galvanized	27,011	26,895
Aluminized	5,380	3,663
Polymer Laminated	942	672
Total	33,333	31,230

Increase of 6.7% over 2015

Buried Bridge & SWM Presentations:

2 nd	MTO – Thunder Bay Region	10 Bridge Engineering Staff
2 nd	City of Thunder Bay	6 City Engineering Staff
6 th	City of Fredericton	Initial meeting with Chief Engineer
6 th	CFB Gagetown	Meeting with Chief Engineer
8 th	MTQ – Quebec City	5 Key Bridge Engineering Staff
15 th	MTO – St. Catharines	8 Regional Bridge Heads

Education Outreach: Lectures held in February:

1 st	Lakehead University – Thunder Bay	25 students
6 th	University of New Brunswick	20
7 th	Universite de Moncton	30
13 th	McMaster University – Hamilton	50

Bolt Research Project with MTQ: The translation to English was completed and sent to the TAC Committee for review at the March 1st meeting.

Galvalume Project: Met with NB DOT on the 6th to discuss partnering with CSPI to find a suitable site (soft water) for Galvalume / Aluminize testing. Will know by April / May time frame.

Presentations: Monthly updates are ongoing for each province as required.

Glassroot: Met with our media consultants to review updated web site, e-blast (March), and Handbook E-Reader download.

Quebec Municipalities: I need to register as a lobbyist (in Quebec) in order to set up presentations / promotional program to cities. This will be tabled at the next PPC meeting.

Ontario Good Roads Conference: Attended on Tuesday, February 28th as a delegate. I was able to connect with a few municipalities.

Other: Responded to enquiries from Manitoba Hydro, Aquafor Beech, Board activities, Gov't application for summer student, ASTM votes, CSA membership and initial discussion on G401 update, minutes, agendas, etc.

Future Activity / Travel Plans / Meetings thus far

1 st Q activity	Canadianize NCSIPA product comparison sheets, redo market approvals table, LEEDS investigation, DOT specs, travel and meeting planning for March – April 2017 for DOT & municipality SWM presentations, education outreach and conferences.
