DOT / Municipalities / Consultants:

Education Outreach:

TAC Committee Activities:

1. Rehabilitation project with Queen’s University, edits submitted. Final report pending.
2. CSA G401 meeting held on Jan 8th, 2020. Notes in progress. Next meeting scheduled for Feb 14th.
3. Galvalume project – questions from Elzly have been addressed. Waiting on final report. Once received, Technical Bulletin #1 can be updated.
4. LCA comparative project (CSP versus concrete) RFP completed and sent to consultants for quotes – to be reviewed within the next month.
5. MTQ – bolt testing still underway. Expect completion by Feb month end.

PPC Committee Issues:

1. E–Blast sent to all 256 members on Jan 29th, “CSPI webinar – website navigation”. 93 opens or 36.6%.
2. Attended webinar “Transparency is the New Green on Jan 20th”.

Other January Activity: Responded to 6 information requests from members, consultants & municipalities, and extensive planning for the next three months.
