Strategic Plan

1. Discussion underway to determine WEBEX November dates for fall meetings.
2. CSPI Member carbon statement – to be discussed.

DOT

MIT standards update nearing completion. Expect to submit to MIT by the end of October.

YTD - 4 visits and 1 conference call

Municipalities / Consultants:

Same as above. Will follow up with storm sewer applications.

YTD – 3 visits

Education Outreach:

Communique was sent in September to all institutions for the fall and winter semesters.

YTD 14 Lectures

600 Students

TAC Committee Activities:

1. Rehabilitation project with Queen's University - technical bulletin started.
2. CSA G401 updates ongoing. Next meeting is scheduled for October 1st.
3. Galvalume project – Will update technical bulletin #1 for next TAC meeting.
4. LCA comparative project (CSP versus concrete) – expect this project to be completed by Oct month end.
5. MTQ – bolt testing. MTQ released email stating that results are the same as test 2. Requested executive summary results.
6. Sub-committee on “Alberta Fabrication Inspection Guidelines” meeting held on Sept 24th. The committee has completed its mandate. Next meeting is scheduled with MPA Consultants on October 8th.

PPC Committee Issues:

1. PPC meeting June 16th minutes to be issued once reviewed.
2. Social Media sub-committee Webex meeting held on the 16th. Minutes issued. Next meeting October 21st.
3. Linked-in postings are at three per week in line with target – presently now have 89 followers, up 14 over August
4. Instagram account set up. Two postings with 13 followers in the 1st week.
5. TAC September virtual presentation on “Climate Change – Everyone’s Business – Impact of Construction Products” was delivered on September 29th. 48 delegates attended. Presentation will be uploaded to the website.
6. E-Blasts results for September:

	<u>Followers</u>	<u>Members</u>
a. 21 st – TAC Presentation	715 opens	83 opens
7. CSCE call for papers – will submit later this year on Sustainability of CSP once LCA project is completed. CSCE are aware and have accepted CSPI’s inclusion for future publication.

Board Issues:

1. Executive committee – method of tonnage reporting to be finalized in October.
2. CSSBI dissolution ratified for December 31st. Board will meet in the near future to discuss CSPI’s 2021 path forward to deal with administrative duties handled by CSSBI.
3. New member, MarMac Construction products has joined our association effective October 1st. Orientation planned for October 5th and formal welcome at the fall meetings.

Other September Activity: Responded to 10 information requests from members, consultants & municipalities, continue updating of eblast data base by targeting followers by classification, attended a number of TAC virtual presentations, and continue to work on rehabilitation and joining systems technical bulletins.

Future Activity / Meetings thus far
